## PICTURE MY LIFE

### Photography Exhibit and Auction

Join us for the premier exhibit and silent auction of the photography of the 2019 Picture My Life class. These students are refugees who now make their home in our Tampa Bay community. Come see the photos that express their perspective as they create their new life in the United States.

You can visit with the students as you view their art. Their photographs will be for sale in a silent auction and can be taken home that night. All proceeds of the photos go to the students.

Food and drinks will be served.

When: October 17, 2019

Where: Morean Arts Center

719 Central Avenue
